

Ordering SCRIP just got easier with ONLINE options!

SCRIP is shopping cart fundraising! It allows you to earn money to offset your tuition cost for KCSS or Faith Formation, or if you don't have the need to offset tuition, you can give the profits from your purchases to the parish! It's a win, win!

You use Scrip just like it was cash! You pay for your groceries, gas, nights out on the town, shoes, craft supplies, tires and oil changes, etc. all with scrip cards. Kohl's and American TV even let you pay your charge cards off with scrip!!

In addition to using our onsite sales at the Parish Office or after 8:30 Sunday Mass at St. Francis, now you can purchase Scrip from some of our retailers using one or both of these new options:

ScripNow – Visit the shopwithscrip.com website and print off a gift certificate from your home or office for immediate use when you shop at a local merchant or online.

Reload – Use a Scrip card purchased from the Scrip program. Register your card at the Shopwithscrip.com website and reload money onto the card at your convenience!

Here are a few examples of how families can use online Scrip to save money:

A college student purchases textbooks from Amazon. After putting her books in her online shopping cart she has a total of \$470.00. She goes to her shopwithscrip account and orders \$470 of Amazon **ScripNow!** In a matter of minutes she has a gift card code she can input on her Amazon account to pay for her books. Barnes & Noble is also one of the numerous online merchants who have online **ScripNow!** that can be used for ordering merchandise online.

A Scrip customer goes to Subway and Starbucks fairly often. She purchases a \$10 card for each of these merchants. When she uses the card and the balance is low, she is able to go to the [shopwithscrip](http://shopwithscrip.com) website and **Reload** more money on the cards at her convenience.

Another customer has grandchildren living out of town. She can send them online **ScripNow!** gift certificates for Applebees, Buffalo Wild Wings, iTunes, Build-A-Bear, Best Buy and other merchants as birthday gifts.

This is just a small sample of the many Scrip merchants now offering the **ScripNow!** online certificates and the **Reload** options! Browse the **ScripNow! Brands** and **Reload Brands** at www.shopwithscrip.com for a current list of merchants. More are being added everyday!

KCSS Parents – you can order Scrip and have it delivered home with your child from St. Al's or Holy Cross campuses. **Faith Formation Families** – order Scrip the day before sessions for pickup when you drop your children off. It's easy, it's convenient – why not give it a try!? Are you interested in finding out how you can use **Scrip** or use these new methods of online Scrip?
