

Kaukauna Social Concerns Meeting minutes for 10/30/17

6:00 pm - Jean led us in prayer and we said the mission and vision statements. Those present were Barb Knuth, Jean Ryan, Shari Petersen, Carol Cappaert and Robin Schmidt.

Jean motioned to accept the minutes from the last meeting

Bottle Caps Collection - ongoing - going good

Warming Shelter - Oct 4 - Oct 7, 2017 was a success. After more than 10 years, the committee will be taking a break from organizing the meals at the shelter. Robin Will work with Jean on a note to the parish office for the bulletin to see if anyone would be interested in taking this over as a sub committee under the Social Concerns guidance.

Advent Collections -- St. Katharine is handled by the Stewardship committee. Holy Cross is continuing with the Jesse Tree and St. Paul's Elder Services is sponsoring Adopt a Family. There is information on trees at all churches and tags available at St. Paul's.

New Business:

It is time to start thinking about our Lenton Collection. The decision needs to be made by our January Meeting as Ash Wednesday is 2/14/18.

Next meeting January 29, 2018 in the Haen Room at St. Paul Elder Services.

Prayerfully submitted by

Robin Schmidt
