

Parish Fest Minutes
April 17, 2017

In attendance: Fr. Jerry, Ed Carroll, Dennis Geiger, Joyce Luckow, Linda Pitt

Meeting began with prayer led by Fr. Jerry

Old Business: Tom Kattleson has fans for the gym, along with exhaust vents in the gym, to keep it as cool as possible. Fans are available for the cafeteria, as well. He will also be bringing over the bar tables from SA and storing them on the stage. Linda has a contact at Expera that is saving butt rolls of paper to cover the gym floor.

Car Show: Car Show will be on 7th St., Main Av., 8th St., the parking lot and the empty lot across from church for tractors. Porta potties will be on 7th and 8th Streets.

It was decided to forgo the electrical proposed by Pat Schmidt to run the fryers, cost was a little steep for what might be a one-time event. We will use a propane run fryer from the day care or rent a trailer with a similar set up from the Knights of Columbus. Will know by next meeting.

Would be nice to have a few picnic tables for those folks that want to eat or just sit outside. Linda will look into this.

Did a walk through of the gym and made a floor plan for the day's events. Will have a sketch of that at the next meeting.

Next meeting is Monday, May 8, 6pm, Parish Office.

Submitted by Linda Pitt, 5/1/17.
