Minutes from Last Meeting: The minutes from the last meeting were reviewed and approved.

St. Francis Site:

No issues at this time.

St. Al's Site:

The offer for the site fell thru. Another party is looking at it.

St. Mary's Site:

We will be getting a covering for the gym floor that will protect it better when used for other activities. Holy Cross is interested in using the Gym for a tournament.

We are still looking at improvements to the sound system at St. Mary's. Two of the wireless mic's have been giving us some problems. They will be checked out and repaired or replaced.

Deacon Steve brought up the idea of putting in an Atrium from the doors by the elevator to go to about the street to facilitate dropping off handicap. Possibilities will be investigated.

General Items:

Deacon Steve reported that they are looking at re-configuring the office. They would like more open contact with people entering the office.
