

Welcome from our Pastoral Leader

God's blessings! Welcome to the St. Katharine Drexel Parish website. As we strive to be more like Jesus Christ and our patron saint Katharine Drexel, we seek new ways to communicate the Gospel message. This website seeks to make you aware of key information regarding Mass times, sacramental preparation and other important items.

We hope to make people aware of opportunities in our parish, other parishes, and the Green Bay Diocese to unite ourselves in faith-filled prayer, compassionate service and generous sharing. Our parish mission statement reflects that: "To continue the mission of Jesus through prayer, service and sharing."

May our efforts strengthen family life and our parish community. Let us together be transformed into missionary disciples by the message of Christ with the ultimate goal that we can all collectively bring about the Kingdom of God, and be together in heaven for eternity.

Peace in Christ,
Deacon Steve Vande Hey
